HP Wireless Barcode Scanner

HP Point of Sale
Wireless Barcode Scanner

Get a smart wireless barcode scanner that charges while it works.

Minimize clutter in the workspace with a smart wireless scanner that reads a range of codes and recharges in the included presentation stand.

• Get up and running quickly with software utility or barcode configuration and Bluetooth® pairing to your RPOS platform.

• Easily switch between handheld or presentation scanning mode without slowing the transaction, and charge the scanner while it's in the stand.

• Enjoy accurate capture of 1D and 2D barcodes. Accept printed loyalty offers and coupons, and barcodes displayed on a customer's cell phone. Be confident in the accuracy of the transaction with visual and audible confirmation of a good barcode read.

• Be confident in a sturdy design built for the wear and tear of retail environments. Scratch-resistant tempered glass supports continuous use and helps extend the barcode scanner's useful life.

HP Wireless Barcode Scanner
